

2009 AMERICAN LE MANS SERIES' MICHELIN GREEN X CHALLENGE - TEAM POINTS (After 10 Rounds)

NOTE: Points are awarded to the teams in either the LMP or GT categories. Each team will start with the maximum of 225 points in 2009. When teams win, points are deducted. The successful teams will therefore have fewer points. The criteria the challenge is based on the following: 1) overall performance; 2) fuel efficiency; 3) environmental impact
